

Welcome to Sunday! What a Week!  
Thank God for heat and electricity and Jesus on the move!  
February 5, 2023

Where have you seen Jesus on the move this week?

Mark 3:1-6

19. Verse 1 – Now back to the synagogue. What's the point?

Mark 3:7-12

20. Jesus withdrew with His disciples to the lake. Why?

Mark 3:13-19

21. Where is Jesus going now?

Mark 3:20-34

22. And now He goes to a house. I wonder why?

(By the way-this teaching from Jesus is the absolute most concerning for me and the survival of our very divided nation?)

What does this say to the Church?

What does this say to our families?

Mark 4:1-34

23. Now Jesus heads to the lake for a sermon and Mark says He got in a boat. Strange way to be on the move for a revival. What does this say about Jesus?
